

Edline Parent Web Portal

Make children's school information available online for parents

Edline's Features for Parents

- **Easy site navigation:** Shortcut links to children's grade and attendance reports, assignments, calendars, school news, and more in one easy-to-use location.
- **Track homework and grades:** Parents have instant access to detailed grade and attendance reports for all of their children.
- **Online student calendars:** The integrated, school-wide calendar lets parents view an online calendar for each child, listing that child's:
 - Assignments
 - Upcoming Tests
 - Class Activities
 - Additional Information
 - SAT Test Dates
 - Report Cards
- **E-mail alerts:** Parents can sign up to receive secure e-mail alerts that notify them when grades, attendance and other reports are posted to Edline.

Edline Student Web Portal

Edline's Features for Students

- **Easy site navigation:** Shortcut links to their grade and attendance reports, assignments, calendars, school news, and more in one easy-to-use location.
- **Online student calendars:** The integrated, school-wide calendar personalizes each student's online calendar with details of their:
 - Demographics
 - Scheduling
 - Period Attendance
 - Daily Attendance
 - Transcripts
 - Report Cards
 - Discipline
- **Homework reminders:** Forget a homework assignment? No problem. Students can access homework assignments online on Edline from anywhere, anytime, 24/7.
- **Missing Homework?** Missing work appears in each student's private reports, allowing students to complete assignments before grades suffer.
- **E-mail alerts:** Students can sign up to receive e-mail alerts that notify them when grades, attendance and other information are posted to Edline.
