Alternative Discount Tuition Payment Plans

We are offering 2 discount payment plans for the 2011-12 school year; a Single or a Two Payment Plan. To take advantage of the discounts, you must have your payment in on the due dates indicated below. All payments are based on the net tuition owed by the student/parent. For example, if you do not receive any aid/grant funding and therefore you owe \$8,250 in tuition, one single payment on July 15, 2011 in the amount of \$7,920 would satisfy your tuition bill. If you receive \$3,500 in aid/grant funding, and select a 2 payment plan, your first payment would be \$2,303.75 on July 15, 2011 with a second payment of \$2,303.75 to be made on January 15, 2011.
